

## **Westlake Student Ministries Scholarship Application**

Youth Group events are designed to be inclusive. Some will be available at no cost to the participants, while other events have a fee. We are hopeful that all students can attend each event, regardless of cost. Financial aid is available for all events sponsored by WSM. Please, never let the cost of an event keep you from attending – your attendance is important for the whole group.

Fill out this form and return it to the church office at least two weeks before the event each event in which you may need financial assistance.

This form is also available on the parish website, [westlakechurchofgod.org](http://westlakechurchofgod.org), for each event in which you may need assistance paying.
